

A LETTER FROM

Santa Claus

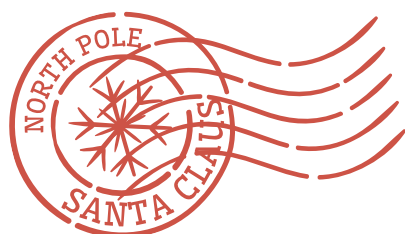

Ho, ho, ho! Merry Christmas to you.

Thank you for the wonderful letter that you sent to me. We here at the North Pole are very impressed with you this year.

I enjoyed reading your wish list for Christmas. The Elves and I will do our best to see what we can do for you.

I have lots to get ready, so I'll say goodbye for now. Remember to go to sleep nice and early. I can't wait to visit you on Christmas Eve.

Ho, ho, ho! Merry Christmas to you and everyone you care about.
