

FROM THE OFFICE OF

Santa Claus

Dear

Christmas is nearly here, myself and Mrs Claus are so excited! It won't be long until I'll be taking to the skies to deliver presents to all the special boys and girls out there, like you.

The elves have been working very hard making toys and getting everything wrapped ready for Christmas Eve. I think I will have to give them all a holiday once Christmas is over, just to say thank you for all their hard work.

I can see that you have tried your hardest to be good this year and we here at the North Pole are very proud of you.

Keep up the good work and make sure you are tucked up in bed, and fast asleep, nice and early on Christmas Eve.

A very Merry Christmas to you and your family.

Santa Claus
