

Make It Shop: Final big sales opportunity ~ Everything cost price or less!

October 2017

Including updates

Please note: (1) Everything is half price or less. Items bought as 'job lot' are especially low priced. If there's no figure in the 'unit price' column, it means it's only available as 'job lot'. (2) Items are available to view and collect from my house in Chorlton on Abbotsford Road; I can also deliver locally if you know exactly what you want. (3) Please only contact me if you are intending to spend around £30 minimum, bearing in mind the work involved at my end, thank you. (4) Contact me by email at danielle@themakeitshop.co.uk to arrange to pop round, during the day or evening. (4) The more specific you can be about what you want, the easier as I can put your items together before you visit. You can still check it's what you want. **First come first served :-)**
