## Fares to All Hallows

Prices for 2017/18 are as follows:-

£ 4.00 Daily return fare

£ 3.00 Daily single fare

£ 460.00 Annual Travel Pass – Single Payment (saving almost 40% on the daily return fare)

£ 499.00 Annual Travel Pass – 3 staged payments\* -  
(saving almost 35% on the daily return fare)

\*By choosing staged payments, parents are committing to the full price of a pass at £499. Payments of £200, £200 and £99 are to be made at the start of each of Autumn, Spring and Summer terms respectively. If payment is not made by the second week of any given term, then the college and the coach company reserves the right to withdraw a student's pass and they will only be allowed to travel on the payment of the daily rate (as seen above).

A 10% discount is available when annual passes are purchased for second and subsequent siblings. Students can also choose to pay on the bus at the daily rate given above if they are occasional users.

Passes may be used for journeys on any AH1 to AH8 bus providing there is sufficient seating capacity, for example, if students have permission to visit friends homes in other areas.
