THE BIG KNIT NEEDS YOU!

We are inviting people all over Kirklees to take part in world wide knit in public day, by joining in with activities run by people from your local community.

The Big Knit is an opportunity to share skills, get creative and have a have a cuppa, no matter your age or background.

Whether you want to start something in your local library, village hall or your front room, we would love to hear from you.

It will see the whole of Kirklees work together to decorate their local area with yarn bombing and add to an impressive sculptural spectacle that will be revealed on the 8th of June at a secret location.

The whole day will be a celebration of Yorkshire, so grab your wool and join us on Saturday 8th June from 10am - 4pm at a location of your choice.

We will be running a introductory workshop for those interested on the 4th of May in Huddersfield.

The Big Knit is part of Woven, A Celebration of Innovation in Textiles across Kirklees, taking place from Saturday 8th to Sunday 16th June. For more information about Woven visit woveninkirklees.co.uk.
