Message from Jacinta (aka JC)

Hi guys! Welcome to **ELEVATE, whatever you want from these classes, be it your dreams of becoming a dancer or just a passionate hobby of yours – I'm looking forward to sharing my love of dance with you.**

I believe in passion and hard work and live by what my dad says "You can be anything you want to be – you just have to want it enough"

I love to teach, I love to show my students what a bit of hard work and determination can achieve and it doesn't matter how long it takes, if you truly know in your heart that you want to dance – you will. I believe success can only be achieved by being who you want to be. You're never too old, too young, too long, too short, too anything – If the music is in your heart, let it out!
