Colchester's new Web Site is up and running. This can be found at [HTTPS://www.ColchesterNhW.org.uk](https://www.ColchesterNhW.org.uk). The site allows persons to apply for membership and sign up to our rules for Data Protection and Confidentiality. Since the launch, several residents of Colchester have done so.

Two or three new Schemes - now 96 but slow to really get new ones started due to current circumstances.

A few issues with a small number of schemes due to technical skills, understanding that membership implies a list of members, Facebook only based schemes, and lack of recent contact. Mostly in hand but frustrated by the inability to meet. Some reduction in total membership due to a few schemes operating without a list of members.

Trying to organise a football team of young teenagers to take part in a competition to raise funds for the Our Amy Foundation. Colchester will provide the entry fees but via the Police who will pass on all money raised to the charity. Now postponed.

Not Coffee with Cops but Tea with Anti-Fraud Coordinator and Tea with The Fire Service. Dates agreed but now back on the TBA list.

First meeting of Colchester's newly formed Community Safety Delivery Board was a virtual meeting using video conferencing.
