Still working on line. Following various postings on Facebook regarding the theft of dogs we were able to hand out Personal Alarms etc at a short session held outside a local shop. (Voluntary work)

On Safer Internet Day we took part on line, raising awareness.

Attended on line meetings and presentations with Crimestoppers, our Community Safety Partnership, Community Agents Essex and the PF&CC Rural Crime Forum

Had on line training/guidance by J9 relating to Domestic Abuse and another on Fraud.

Attended first on line meeting of Brentwood Councils' new Health & Wellbeing Board. Now chairing the Ageing Well Group for this project.

In addition to maintaining the 'County' website Peter Fisk has been busy whilst out on his walks keeping our local area tidy, particularly an area where some drug dealing may take place. He has also been looking out for a vulnerable couple ensuring they are o.k.
