Basildon District Report For County Meeting 14th September 2021

With the easing of lockdown Covid-19 restrictions we were able at last to engage with the public again. Since July we have taken part in a number of Police or Council led initiatives and created opportunities for establishing new watch areas. Further events are planned in October.

With a relatively small Steering Committee it is often difficult to get enough volunteers to service these events due to previous commitments so we are putting a request out to our membership for more people to step forward and help out. If interested or require further detail please send an email to the above address.

Basildon Borough Neighbourhood Watch are holding their Annual General Meeting (AGM) on Wednesday 29th September at 19.30. Due to Covid-19 we were unable to hold one in 2020. The venue is The Castlemayne Public House, The Knares, Basildon SS16 5RZ. Every member of a Neighbourhood Watch scheme in Basildon Borough is welcome to attend.
