

BRAINTREE DISTRICT NEIGHBOURHOOD WATCH REPORT
For ECNWA Tuesday 11th January 2022

PCSO LORRAINE KEATING Essex Police is the force's PCSO of the Year!

Chief Constable Ben-Julian Harrington presented police community support officer Lorraine Keating with her PCSO of the Year award and certificate. Read how she's helped vulnerable victims & homeless people, tackled drug-related issues & tool thefts in BRAINTREE, using her problem-solving

We held our first face to face Steering group on 23rd November which was excellent as we had PC James Draper attend who gave a very comprehensive report and answered many questions throughout the meeting. Our next meeting is not until March .

Sadly our Witham & Hatfield Peverel Co-ordinator had resigned so I have taken on that role.

With the funding of £500 from Braintree District Council "Councillors Community Grants" I purchased more key rings and thanks to Roger Passfield (Thurrock District) I purchased Security Window alarms and Door Wedges which were very welcome.

The six monthly newsletter version Two 2021 was very well received with an article from PC James Draper sent me an excellent article on Anti Social behaviour the names of all the Braintree Police Teams and their photographs of them too. There was a print run of 1,900 and many have been sent by email. I shall be creating a new six monthly newsletter for 2022 which will be published in March..and I have been in contact with Jenny Brouard so I shall have an article on the three Essex Watch Liaison Officers.
