### More people contact Crimestoppers

Essex Crimestoppers crime contact reports sent to Essex Police to the end of November were 3,480, an increase of 10.5 per cent compared to last year.

The contact reports gave 4,522 individual crime reports – contacts can contain more than one crime report. More than eighty per cent of contacts were online. See charts below.

Preliminary figures for December show a further 317 contact reports were sent to police.

### Crimestoppers Zones

Zones have now been set up in Brentwood, Chigwell and Waltham Abbey with another two, Colchester and Witham, being planned.

The objective of CS Zones is to target areas where crime is under reported to increase the quantity and quality of reports to Crimestoppers. Areas are intensely marketed with leaflets, road signs and social media.
