

MAGIC CORRECTORS!

MAGIC COLOR LINE

BioTouch has taken the guess work out of color correction with our easy to use, **premixed color correctors**.

Banish purple brows, conquer blue lips and eliminate corrections by adding a small amount of the appropriate color corrector to your pigment choice.

"Thousands of technicians use the product daily to reach for the best results, constantly discovering new techniques to improve with each application."

Over a decade of research and development has resulted in the creation of the finest permanent cosmetic pigments available anywhere in the world.

Double the quantity of pigment in each drop. The skin receives a double dose of concentrated color as it is embedded.

More Color In Every Drop
