

5. **RULES FOR SHOWING**

No donkey should be entered or shown under a judge who currently owns or leases the sire of that animal or owned or leased the sire at the time of covering. The breeder is the mare owner. 6. **DEFINITIONS**

- (a) A NOVICE DONKEY is one that has never won a First Prize in an In-Hand Breed class (excluding Foal classes) or any Novice In-Hand Breed Class at any show up to the closing date of entry. A NOVICE DONKEY will not lose its Novice status if it is the only competitor forward in the class.
- (b) A NOVICE DRIVING DONKEY is one that has never won a Driving class or any Novice Driving classes at any show up to the closing date of entry. However Novice Driving status may be retained until the end of the season in which it was lost. Novice status does not apply to multiple turnouts.
- (c) A FOAL is a foal until the first day of January of the year following its birth, when it becomes a Yearling. A donkey's age will be deemed to increase by one year on 1st January thereafter.
- (d) A JUNIOR is one who has not attained his/her 16th birthday.
- (e) A NEWCOMER is a handler who has not won in an Open Class up to closing date of entry.
- (f) A DBS CHAMPION DONKEY is one who has won four DBS Champion Donkey Qualifiers under four different Judges; at two of those shows there must be at least 12 donkeys exhibited in the breed classes on the day. There is no time limit for qualifying for this award. DBS Champion Donkey Certificates and Awards will be presented at the Society's Annual General Meeting.
- (g) DRIVING VEHICLES: A TRADITIONAL VEHICLE is one of traditional profile and identifiable type to resemble the design of a carriage builder before early 20th century. The vehicle may be made from modern materials but must have traditional style springing and carriage lamps if appropriate. AN EXERCISE VEHICLE is one that does not meet these criteria.

7. **RECOMMENDATIONS**

- (a) Competitors must wear appropriate dress and footwear in the show ring; further details can be found at donkeybreedsociety.co.uk
- (b) Clipping of Donkeys. The DBS does not recommend that donkeys are clipped for in-hand showing purposes. The exception to this is if they are four years old and over and in regular work or for medical reasons.

8. RULES FOR JUDGING

- (a) DBS Panel of Judges. Affiliated shows must appoint their Judges from the DBS Judges Panel. It is advisable to book Judges early. Invitations should be made in writing enclosing a copy of the schedule.
- (b) DBS Champion Donkey Qualifiers (In-Hand and Driving). The Judge/Judges at these shows must be appointed from the Main DBS Panel of Judges (also from BDS and BHDTA panels in the case of Driving Classes).
- (c) Limitations. A Judge should not judge at more than three shows in any one year (except in an emergency) and should not judge at more than two shows in close proximity to each other in the same year. A Judge must not judge at more than two Champion Donkey Qualifiers in any one year; these shows must be geographically opposed. Furthermore, no Judge should be invited to judge donkey classes at the same show until three clear years have elapsed, ie first judging in 2009, next judging not before 2013.
- (d) No Judge may judge a donkey that they have knowingly owned, bred, leased, sold, produced, prepared or shown at any time, including the sire of that donkey. The breeder is the mare owner. Where a donkey is leased, the lessee is the owner for the duration of the lease. This rule applies to Breed and Driving classes. Furthermore, if a judge receives driving instruction from a competitor, whether on a commercial basis or otherwise, neither person can be judged by or judge the other party until the end of the following show season. Probationary judges who are also competitors must not exhibit under judges with whom they have trained for the remainder of that showing season.
- (e) A judge may not exhibit on behalf of a competitor/owner and then judge animals owned by that competitor until the end of the following show season.
- (f) Trainee Judges. The Society operates a training scheme for Judges and it would be much appreciated if shows would, on occasions after a request in advance, kindly agree to a Trainee Judge accompanying their invited Judge in order to gain ring experience. The Trainee Judge is to wear a 'Trainee' badge provided by the DBS Secretary. Trainee Judges may not judge the Championships at any DBS Champion Donkey Qualifier shows and must leave the ring during this judging.
- (g) 'B' list Judges may not judge at DBS Champion Donkey Qualifier status shows.
- (h) Junior Judging: A member, having been a Junior Member and reached the age of 19 and having achieved all Junior Tests up to and including Gold standard, may judge Junior Classes under an 'A' Panel Judge up to the age of 22 when he/she may undertake training for In-Hand and/or Driving Classes (in the case of Driving Classes having also passed the Driving Proficiency Test).
