LATE PAYMENT & TIMELINE

If you are an **existing member** & your application is submitted **after the 18th May** this additional "late fee" payment will be due. Please see that this is paid, along with the applicable membership & post and packaging fee. If you are an existing member who has applied to renew their membership **on or before the 18th May**, this fee will **not** apply.

This is to encourage our existing members to renew promptly and get back on the bank to enjoy the better weather and hopefully the better fishing as well as **to guarantee their membership with the club**. It also helps the clubs management of funds and enables us to plan ahead with any potential work we wish to carry out.

The club is currently running with a membership limit & has been full the previous season. **Existing members will have priority** to renew from 1st April up until 30th April before new members are accepted.

Only after 1st May, will we accept applications for new members.

If new members submit applications before 1st May, they will be dealt with after 1st May and only if the club has capacity.
