

the milton Larder

A notice to all our customers –

Outside Dining Update – from April 12th

As you will now know, from April 12th we will be permitted to serve our customers outside. We are strictly limited to only 6/8 covers max., and this will be entirely weather dependent.

The process for bookings will be as follows;

- All booking requests by messenger or telephone (01934 709545), if we cannot fit you in, we will try our best to offer an alternative. First tables will be at 8.00am, and last orders will be 1pm on Mon – Fri, Saturday 8.00am - 11.15am. We will advise you if we need you to vacate by a certain time.
- Please ensure before booking that you do not have any symptoms, or anyone else with you has any symptoms.
- Bookings should be made from a maximum of 2 households, and no larger than 4 people
- ALL diners will be required to check in with the App or fill in a slip if they do not have the App (this is now law, under 16's exempted) Our QR code will be clearly displayed in the window on arrival.

Upon arrival, please wait at the door and we will come to you and direct you to your table, please do not come to the counter, we are still operating as a takeaway and need to continue keeping a safe distance. All service will be to the table, any daily specials and cake selections will be advised as part of that service.

In cases of extreme weather, we will post out on our facebook page first thing on the day if we need to cancel, or cannot offer outside dining, so please check our posts daily as we are not able to contact all customers to advise them in these circumstances.

We would be grateful if all our customers assist us by sticking to the above points, as a business, there are now penalties for any non-compliance to the new guidance, and we legally have the right to refuse to admit or serve you if we feel these are not adhered to.

There is a link to the hospitality fact sheet on the front page of our website www.themiltonlarder.co.uk for verification of these rules.

We cannot wait to get back to (some form of) normal, and we really look forward to welcoming you all back soon!!

All the best,

The Larder Team
