- 8 Introduction
 - 16 Head couples waltz inside the set
 - 8 Head ladies advance and retire, then change places, making a half turn individually clockwise to end in the opposite lady's place and facing into the set
 - 8 Side ladies repeat
 - 8 Head gentlemen repeat
 - 8 Side gentlemen repeat
 - 8 Head couples waltz back to places
 - 8 Side couples waltz back to places
 - 32 All face partners and waltz grand chain once round the set, as follows:
(Take right hand with partner, dance forward one step, back one step and pass on with two steps, the lady turning once round anticlockwise under the gentleman's arm, the gentleman not turning. Note that the right hand is given each time.)
As the chain ends, the side couples separate to form lines of four across the set.
 - 8 The lines of four advance, retire and cross over, turning as before;
 - 8 The lines of four advance, retire and cross over, turning as before and ending in original set places;
 - 16 All 4 couples waltz once round the set.
- These figures are repeated again- side couple leading.
- NB When the side couple leads, the lines form up and down the room.
