

Scissor holder

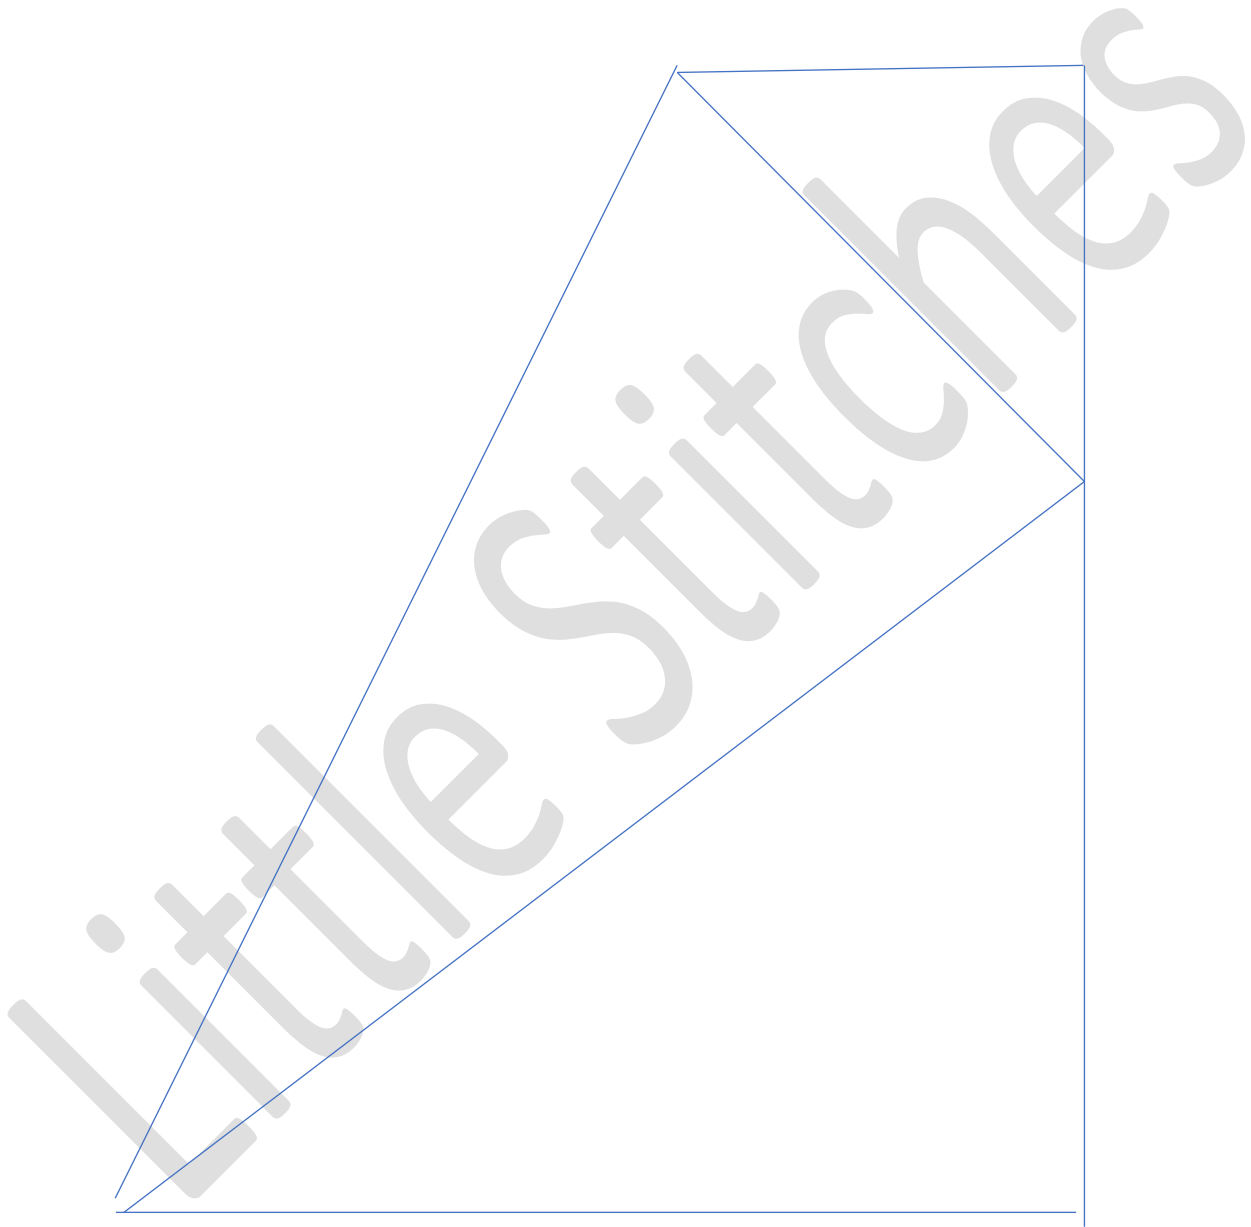

Requirements

Main fabric (1) 25cm x 30 cm

Lining (1) 25cm x 30cm

Fusible Wadding (1) 25cm x 30cm

1. Fuse the wadding to wrong side of the lining. (for non-fusible wadding use temporary spray adhesive).
2. Place lining fabric and main fabric right sides together.
3. Stitch all around the edge leaving a gap of 10cm on one long side for turning.
4. Trim the seams to reduce bulk. Turn the fabric through to the right side.
5. Fold the side with the opening . Make sure that your scissors fit into this folded section.
6. Edge-stitch to secure & press.
7. Fold the other side across the first side, to the folded edge.
8. Stitch 2/3rds of the way up, through all layers.
