Technical information about this website's accessibility

Sutton-in-Craven Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No.2) Accessibility Regulations 2018.

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard, due to the non-compliances listed below.

Non accessible content

The content listed below is non-accessible for the following reasons.

Non-compliance with the accessibility regulations

Some images do not have a text alternative, so people using a screen reader cannot access the information. This fails WCAG 2.1 success criterion 1.1.1 (non-text content).

We plan to add text alternatives for all images. When we publish new content, we will make sure our use of images meets accessibility standards.

Navigation and accessing information

It is not always possible to change the device orientation from horizontal to vertical without making it more difficult to view the content. This fails WCAG 2.1 success criterion 1.3.4. (orientation).

It is not possible for users to change text size without some of the content overlapping. This fails WCAG 2.1 success criterion 1.4.4 (resize text).

Content that is not within the scope of the accessibility regulations

PDFs and other documents

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they are not essential to providing our services. Any new PDFs or Word documents we publish will meet accessibility standards
