	<p>Justin Ward (Member) – Elected term to August 2023 After 42 years in the music profession Justin and his wife chose to move to Dorset, as his first job was in the Bournemouth Symphony Orchestra. He has lived in the village since 2012 having chosen Gussage All Saints because there was a lovely pub situated right in the middle - a social hub for all. As a newcomer, it was always very interesting to note that on mentioning Gussage All Saints so many people automatically reacted by mentioning ‘the Drovers’. After the pub’s closure there has been an incredible amount of work carried out to restore the pub and it is once again the social hub that is essential for ensuring that village life once more has a focal point. I should like to stand for re-election as a Member of the Management Committee as there are always more projects in the pipe-line, particularly the disabled toilets.</p>
