

# SAVE THE DROVERS

Volume 1, Issue 2

20th March 2015

## SAVE THE DROVERS ACTION GROUP

### Fighting Fund

**Please contribute to our fighting fund.** We have already spent several hundred on professional fees and as we move forward with the Save The Drovers Campaign we will need funds to meet further expenses e.g. professional fees for surveys and legal advice, administrative fees and expenses for establishing the community benefits scheme and joining The Plunkett Foundation.

If you would like to contribute by cheque please make this payable to: Gussage Community Company Ltd and hand this to one of the following Steering Committee Members: Les or Mal Madell, Sally Marlow, David Crossley, Bob McCarthy, Bonny Humphris, Danny Wale, Justin Ward, Chris Payne, Jill Allen.

We will arrange for you to receive a receipt and all moneys will be accounted for. Should there be a surplus this will be rolled into the Gussage Community Benefits Scheme once it has been established.

Cash contributions can also be made via the Steering Committee members listed above.

### Visit the Save The Drovers Website

We have established a Save The Drovers Website at [www.droversinngussage.com](http://www.droversinngussage.com)

Please visit to:

- See the latest information and sign-up for our newsletter
- Email a question or suggestion to the Steering Committee
- Read our stage 1 business case and viability report targeted at fighting the Change of Use application

### We Urgently Need Specialist Volunteers

**We urgently need volunteers** with accounting, legal, business management and construction experience to help form a working management committee to complete the detailed work needed for the next stage of Saving The Drovers. Contact Sally or Mal details below.
