**We hope you all had a lovely Christmas and wish you all a very Happy New Year. John & SallyAnne**

### **News Sheet Distributors**

A big thank you yet again to all those who distribute the news sheet around the village – without your assistance we would find it very difficult to reach everyone. Many come forward to cover holidays etc. and that is much appreciated too.

### **CHRISTMAS HAMPER PRIZE DRAW**

(The results of the draw are printed on page 8)

The total raised for this years Hamper Prize Draw was an amazing £1152-00.

Thank you to all the people who so generously donated all the wonderful things that made up the hampers, without your generosity this raffle could not take place. My thanks also to Sandra Kent who so artistically presented the hampers.

The person who sold the most raffle tickets was, without a doubt, Carole Postlethwaite. Well done Carole! You are the winner of the bottle of champagne, donated to whoever sold the most tickets.

Not forgetting, my most sincere thanks to all those who purchased the tickets, all for a good local cause. Remember every £1 ticket purchased goes straight to St Lawrence Church, the “Jewel in the Crown” of Bramshall. If you won, well done and if you didn’t win (like me!!) better luck next year.

*Glenda Lovatt*

## **Church Extension update:**

So near, yet so far!! We had hoped that the new facility would have been completed in time for our Christmas services, but events (including the weather) have conspired against us. The externals are all but finished, while the internal fittings and final decoration should see the project signed off sometime this month (January). An official dedication and opening will be arranged soon thereafter.

## **Church Cleaning**

Thank you for all the offers of help to clean the church. Circumstances leading up to Christmas have not lent itself to have everyone in at the same time because the building works went on longer than we anticipated for one reason or another. With the weather and everything else it would be nice to have a “Spring Clean” leading up to Easter so I will get word out when we decide to do it but thank you for the offers.

**100 Club** – Thank you to all those who have paid for their numbers – if you have forgotten please try and do it before the 21<sup>st</sup> January, either pay cash / cheque or directly into the bank - £12 per number. The bank account is NatWest Uttoxeter, Sort code 60-22-09 and the account: 64540138 **Bramshall 100 Club** and for the reference please enter your name.

An email to [pjsaj@aol.com](mailto:pjsaj@aol.com) saying you have paid direct to the bank would be appreciated. Thank you.

## **Christmas Tree**

Many thanks go to Russell and Sarah Heath for supplying the Church with our Christmas Tree again this year. We do appreciate this and as always the tree has looked really lovely bedecked with lights and baubles.

### **Thanks also to:**

David Martin for clearing leaves from around the church and hall prior to Winter setting in.

Also to Glenda Lovatt for hosting the festive cuppa (see below)

## ***FESTIVE CUPPA***

I opened up Bowmore House for my annual “Festive Cuppa” on Wednesday 6th December. Many thanks to all who attended: I hope you enjoyed it as much as I enjoyed putting it on. Donations raised for St Lawrence’s Church were £146-50p for which I thank you all for your generosity. *Glenda. Lovatt*

Hello, my name is Lizz and I am offering fellow Bramshall residents the opportunity to try a free taster Cognitive Behavioural Therapy coaching session lasting around 30 minutes. If you want to understand how your own thoughts may be holding you back from getting things done or if you feel overwhelmed with life and work and you do not have time to make a plan of how to manage things better, this may help give you some time to think. Want to make a change for the New Year? Then start now and begin 2018 with a new frame of mind. Anything discussed in sessions is confidential and I can help signpost you to other support if necessary.

“When I started to work with Lizz I seemed to be managing with a very stressful job, but when I was outside of work I felt bombarded by other stresses of life and just thought this was how family life had to be. Instead, with Lizz’s help, I have learnt that stress and anxiety itself are not the problem, it is the way in which we (I) react to it which is problematic. I now manage it better because I understand what is going on and how best to react to it” (Sally from Burton on Trent)

I am a Chartered Occupational Psychologist (British Psychological Society) and registered with the Health and Care Professions Council. I am currently a consultant working with companies identifying Stress in the workplace.

Call or email to discuss or book your free session using (ref Bram 2017).
