Traffic Calming Plans for Bramshall.

Uttoxeter Rural Parish Council are working with Staffordshire County Council to help with traffic calming in the village.

A Scheme Delivery Request was passed to AMEY for them to look to design and deliver the proposals as outlined by the Parish Council following a meeting on site.

This will include:-

Reduction to 40mph between Bramshall Meadows development and Stocks Lane

Gateway features on B5030 Uttoxeter side of Stocks lane, including any measures deemed appropriate on carriageway i.e. 30mph roundels, sharks teeth markings etc.

40mph buffer zone at the other end of the village between the railway and Church Lane (rumble strips are considered the wrong solution due to noise).

AMEY to consider the most appropriate solution between Bennetts Lane and Stocks Lane to slow vehicle speeds.

Richard Rayson from SCC is reporting back on progress in the September meeting.

Look at the website www.utttoxeterruralparishcouncil.org.uk and notice boards for the minutes of meetings and updates.

CONGRATULATIONS

Live & Local

Hot off the press, we have just been allocated the following shows, and I feel so fortunate and excited that we will be hosting **‘Lady Be Good – The Ella Fitzgerald Songbook’** and **‘The Old Hat Jazz Band in Concert’**.

These are both fabulous performances that warrant ‘sell out’ status; so please make a note of the dates NOW!!!

Saturday 14th October (Lady be Good) &

Saturday 24th February (Old Hat Jazz Band). More details later.

Defibrillator Funding Campaign - Bramshall.

The Parish Councillors would like to put a defibrillator on the parish hall in Bramshall and Stramshall village hall but need funds from any business or local resident.

The total cost of 2 defibrillators will be £3998.

AEDdonate will be supplying the equipment and training and they have set up a funding page on their website -

www.aeddonate.org.uk/projects/bramshall-village-hall-defibrillation-campaign/.

If any resident or business is able to make a donation towards the cost of the defibrillators either go to the AEDdonate website or send a cheque, made payable to: Uttoxeter Rural Parish Council and send to URPC at 6 Alexandra Crescent, Uttoxeter. ST14 7LQ

PARISH HALL WOODEN FENCE – Parents please note that during Spring we had the fence between the Parish Hall and public open space mended and painted. We now find that it is once again a target for ‘who can knock a panel off with a football’ or whatever.

We understand youthful exuberance but, please, this sort of deliberate damage must stop – the cost of future repairs due to this type of action will be invoiced to those responsible!!

BRAMSHALL SUMMER BALL

This was held on the 10th June and a good evening was had by all that attended. Thanks to Tom and Carole Postlethwaite for organising the event which included a silver service meal (courtesy Woodland Catering) and music (courtesy of Dave Dee Disco). The combination proved to be excellent; it was just a shame that the not so many as usual were there to appreciate the hugely enjoyable evening – perhaps next year a few more could give it a try? It's nice to dress up and walk to a “do” and enjoy good food, good company and good entertainment.

The Old Bramshall Inn has a new manager, Al, who hopes to establish a thriving community pub to serve Bramshall with good food, beer and a warm welcome.
We wish him well.

Recipe for July

Gazpacho Soup.

A lovely cold tomato based soup for these warm days!!

1½ lbs firm ripe tomatoes (700g), 4 inch piece of cucumber peeled and chopped, 2-3 spring onions peeled and chopped, 2 cloves of garlic, crushed, 4 tablespoons olive oil, 1½ tablespoon wine vinegar, 1 heaped teaspoon fresh chopped basil and ½ pint cold water.

Place tomatoes in a bowl and pour over boiling water; leave for a couple of minutes and the skins will loosen and slip off easily.

Halve the tomatoes and scoop out and discard the seeds, then roughly chop the flesh.

Place the tomatoes, cucumber, spring onions, crushed garlic in a liquidizer adding seasoning of salt & pepper, herbs and oil and vinegar, then blend until the soup is smooth. Taste to check the seasoning and pour the soup into a bowl. Stir in a little cold water to thin slightly – anything from ¼ to ½ pint. Cover the bowl with foil and chill thoroughly. Serve the soup with croutons and floating ice cubes in it.

Enjoy!!
