*My thanks to everyone who has helped me to  
restore the community garden near the Trim Trail  
and alongside the path to the church.  
Without your help it would not have been possible.  
Best wishes, Carol.*

### ***Spring Fayre***

Many thanks to Carole Postlethwaite for arranging the Spring Fayre on Saturday 28th April. After a slow start because of heavy rain, the sun made an appearance and the event was well supported. Afternoon tea and much chat was enjoyed by many. Around £450 was divided between the Hall, News Sheet and Church.

Thanks to all who helped on the day and those who came to support.

## BRAMSHALL AND DISTRICT GARDENING CLUB

Andy Holt had everyone spellbound by his stunning photography of Kingfishers which he presented at the last meeting. He and his wife have been following a group of Kingfishers along the river Trent at Shugborough since 2011. During that time, they have learnt a tremendous amount about their way of life and requirements for survival. Most of their photography is done during the summer months as, during the rest of the year, Kingfishers lead a solitary existence at dispersed locations.

Once Kingfishers pair up, they build their nests in the river bank and male and female take turns to dig out a burrow in the soft terrain. As a result, they are dependent on having a stable bank and a normal water level during the nesting season. Cattle can damage the bank and flooding can have a devastating effect. If all goes well, they can raise 2 or 3 broods a year, each brood being about 5 or 6 birds. The river at Shugborough is always well stocked with small fish, so this is able to satisfy their massive requirement. Apparently, raising one brood requires about 1000 fish!  
A fascinating and very enlightening evening.

This was the last meeting of the current season. The next Gardening Club season begins on **Monday 24<sup>th</sup> September at 7:45pm** in Bramshall Parish Hall. Exhibitor and Alpine Garden Society Judge, Diane Clement, will present an evening describing how to plant your garden so that it is 'A Garden for All Seasons'. Please put the date in your diary.

### **Best Kept Village 2018**

The BKV judges arrived early in May and will be viewing again in June. Hopefully we will be successful and go through to the final judging day in July. Thank you all for helping to keep our village looking so neat and tidy.

## Community Speedwatch in Bramshall

The Community Speedwatch volunteers have been active around the village again and have succeeded in recording several unacceptably high levels of infringement of the 30 mph speed limit on Stone Road, Leigh Lane and Stocks Lane.

A 2-hour session on Stone Road on Saturday morning (5th May) recorded 77 vehicles passing at speeds 'over the limit', the highest at 56mph. A further 2-hour session on Wednesday 9<sup>th</sup> May caught 92 vehicles travelling too fast, the highest speed recorded was 51mph.

The 'Speedwatch' activities will continue to strive to make Bramshall roads safer. The local team consists of four volunteers who fit their 'Speedwatch' activities into already busy daily lives. There are always opportunities for more volunteers to join the team – see below. Andrew Dartnell
