Church Organs

It is very easy to destroy a piece of heritage - the church organs are one example, about one pipe organ per week is being thrown into a skip. This piece of news was publicised during the summer by BBC news reader Huw Edwards who wrote an article in the Times newspaper.

Wales is one country where church organs are demolished very regularly without any concern from the local authorities. The Church of England has certain safeguards in place so is not quite as bad as Wales, Scotland and in Methodist churches where there are no safeguards at all for saving church organs from being ripped to pieces and thrown into a council tip. Every time this happens a whole unique sound dies. Despite the safeguard in place this also happens to the Church of England organs - one thousand Church of England organs have been destroyed since the late 60's and this will get worse with more and more Churches having to close and amalgamate with other parishes.

Organs are each an object of beauty and with its own history, they are part of the fabric and character of the parish. The beauty of church organs is hearing a sound that someone 200 years ago would have heard in the same building. The organ is adaptable to suit all moods from happy wedding music to the sadness of a funeral to a rousing Hark the Herald Angels sing at Christmas.

Many parishes will say ' We don't have anyone who can play the organ so it is a waste of space etc well guess what... we do have someone who can play the organ beautifully so let's keep our parish organ going and get it repaired. Thank you. Penny

The Queen's Platinum Jubilee Weekend June 2nd - 5th

It would be fantastic to have a big community event to celebrate this wonderful occasion, but this can only happen if people are prepared to get involved. Anyone willing to come and join our band to arrange activities and celebrations for the Queens Platinum Jubilee please do get in touch. Offers from musicians, singers, poets etc would be much appreciated. Also, any ideas for celebrating the Jubilee would be appreciated – offers of bunting etc.

Please contact the editor.

DIGGING INTO THE PAST

Reading in the Church Times I learnt that it is 100 years since the Parochial Church Council system was formed (December 1921) and so when I started printing Digging into the Past, I did not realise it was in actual fact the first Minute book being transcribing. At least there are no previous minutes to locate, but the earlier governance of the church at local level is left open to intrigue. (SallyAnne Lander).

He accepted the office with thanks. Mr J C DeVille said that although his term of office as Vicar's Warden had been very happy, he felt the honour should go round. He had pleasure in proposing Mr R. The Vicar again gave the Easter offering to the Sick and Needy of Bramshall £3.0.1.

This concluded the business of this Vestry meeting.

New Year's Day Hunt Meet

It was good to see the traditional New Year's Day hunt meet locally, courtesy of David Brookes who hosted the event at his Lower Loxley Farm. Many people, including families of all ages, turned up to enjoy the occasion. Pictured above is David greeting Peter Southwell, the joint master of the Meynell & South Staffs Hunt.

NEXT ONE FASHION PRESENTS

There has been much disappointment over the cancellation of previous presentations, but Tom Speake has now been booked for Friday 11th March to come again with his humorous patter, and racks of high street fashions at knock down prices. He hasn't been enjoying the best of health but he hopes by then his treatments will be finished, as he is looking forward to the event very much. Do put on your calendar and support if you can.

Penny's Recipe of the Month

Ingredients:

4oz plain flour,
2 large eggs,
pinch of salt,
7fl oz milk,
3 fl oz water.
2 tablespoon melted butter
plus a little extra butter
for cooking the pancakes.

Well, we have got through Christmas and New Year so what is next on the cooking agenda. Shall I tell you - Pancake Day (Tuesday 1st March). The recipe I am giving you makes a lovely light thin pancake and is easy.

Sieve the flour and salt into a large mixing bowl holding the sieve up high to give the flour an airing - this helps produce a light pancake because of air going through the flour. Make a well in the centre of the flour and break the two eggs into it. Start to whisk the eggs and begin to incorporate bits of flour from around the edges as you do so. Now add small quantities of the milk and water mixture gradually, any lumps will disappear as the whisk gets to them. Whisk until the batter is smooth and the consistency of thin cream. When you are ready to cook the pancakes add 2 tablespoons of melted butter to the mixture and stir in. Melt about 1 teaspoon of melted butter to the pan swirl it around until the pan is well lubricated and hot, when the pan is hot turn it down to medium heat. Now add some pancake mixture - again swirl it round the pan- 2 tablespoons of mixture is enough as then you get nice light pancakes. Have some wedges of orange put to one side, tip pancake onto a plate, sprinkle a little caster sugar onto it and a piece of orange at side of plate for you to squeeze over the delicious pancake. Enjoy.

Pancake Day, or **Shrove Tuesday**, is the traditional feast day before the start of Lent on Ash Wednesday. Lent is traditionally a time of fasting and sacrifice, and Shrove Tuesday was the last opportunity to use up eggs and fats before embarking on the Lenten fast and pancakes became the perfect way of using up these ingredients.

Bramshall and Loxley Parish Hall

The first of the renovations have taken place with the installation a new front door, new kitchen door and two fire doors have been replaced – we are now looking to have the floor resurfaced, but that will possibly have to wait until the summer break.

2022 has seen the hall being used by regular hires and parties. To book an event please contact Geoff Gamble (mob: 07940 326463) early evening please and complete the necessary form and deposit which he will require to secure a booking.

It is the 25th anniversary of the opening of the current Parish Hall, and we also celebrate the centenary of George Martin giving the original hall to the village.
