Rainbow Brooch Instructions:

Cut the felt as directed on the template sheet

Match the yellow felt arc to the pink felt arc using the bottom edges of the arc leaving some pink visible at the top, sew the yellow arc to the pink arc using yellow embroidery thread.

Match the green felt arc to the bottom of the pink & yellow arcs & sew in place using the green embroidery thread, repeat this for the blue arc & stitch in place using blue embroidery thread.

Sew the brooch pin to the other piece of pink felt.

To sew the front of the brooch to the back piece of pink felt start by matching the blue felt on the front to lower arc on the other pink piece of felt with the brooch clip, join them at the inside edge of the arc using blue embroidery thread. You can then sew the rest of the rainbow together along the pink edge using pink thread. Stop sewing about a third of the way around the outside edge of

of the rainbow and add a small amount stuffing. Continue sewing then stop again to add some more stuffing. Finish stitching the rainbow together & add a little bit more stuffing if it's required.

Once you've finished sewing your felt rainbow brooch tie the embroidery thread off, hide the final knot & wear your colourful rainbow badge with pride!
