## A 2017 season's review.

**1st XI:** The improvement seen in 2016 was continued this season, under the new captaincy of James Wright, with fourth place in the table being secured. It was however a case of what might have been with “defeat being snatched from the jaws of victory” in the matches away to Addiscombe, and at home to Old Wimbledonians. Victory in any one of these two matches would have secured promotion.

There were notable batting performances from Billy Yeats (442 runs at an average of 32), Joe Bracher (414 runs at an average of 28), and 15-year-old Dan McKerracher (354 runs at an average of 24). On the bowling front captain James Wright took 38 wickets at an average of 16, Billy Yeats took 28 at an average of 14, and James Fenwick 21 at an average of 19.

There were several exciting matches with close finishes during the season. The most notable of these was in the time match away to Kingstonian, where after a well fought and sporting contest, a Cheam victory was achieved with James Fenwick taking the last wicket from the final ball of the 100<sup>th</sup> over.

Looking ahead to 2018, the increased depth and quality in the squad, combined with several high potential younger players beginning to come through, provides cause for optimism.

**2nd XI:** The 2nd XI went into the season with a belief that 2017 may finally bring a turn in the tide after some difficult seasons. Newly appointed captain Nasir Sayed decided on a positive approach and in the first game one of his recruits Waseem Ahmad amassed a swashbuckling 106, well supported by Hamza Hafeez (57). Unfortunately, the total of 283 wasn't enough as a combination of rusty bowling and a brilliant century by Ewell's S.Naqvi denied Cheam victory. A bit shell shocked on the back of that defeat Cheam 2nd XI went on to lose the next three games and yet another relegation looked on the cards.

However, against Alleyn a good all-round team performance demonstrated the team's potential. Yasin took 3-21 and Fisher 3-17 to bowl out Alleyn cheaply. Cheam's top three batsmen sealed the victory with Hafeez making, Bastable 38, and Sayed 41 not out. With a new-found confidence the 2nd XI went on to win 7 of their next 8 games. During this period 2nd XI player of the season Ewan Lavender was the linchpin of the batting along with captain Sayed. Lavender scored 344 runs at an average of 38 and Sayed 348 at an average of 25. Yasin and Horwood led the way

with the ball taking 16 wickets each at 16 and 14 respectively, and Bastable (13 wickets at 19, and 183 runs at average of 18) chipped in with good all-round performances.

Unfortunately defeat at the hands of a very impressive Stoke D'Abernon ended Cheam's promotion charge. However, 8 wins represents the highest number of wins by the 2nd XI since 2010! Overall 2017 has been a huge step in the right direction for the team and more progress next year promises for exciting times ahead.

**3rd XI:** After successive relegation's culminating into entry in the East Regional Division there was only one way and it was upwards. The club offered the captaincy to Anirudh Ramadurai who had a clear agenda and understood the strengths of the team members. The approach was to play attacking and result oriented cricket whilst being polite and respectful towards the opposition. The team started the season with a thumping win over Addiscombe. This game was the spark needed to kick start the campaign.

Cheam 3<sup>rd</sup> XI was bolstered by the presence of experienced players like Toby Aiston, Jamie Rix, Ed Stovell, Mickey Kim, Robert Airey, Charlie Mott, and Paul Fisher along with new members Karan Varma and James Adams. The younger players from U17s, U16s and U14s also made a notable contribution. Overall the team achieved an impressive 13 wins out of 18 games, with only two defeats.

The formidable batting line up was headed by Toby Aiston (610 run at an average of 76) and Karan Varma (510 at an average of 46) complemented by razor sharp bowling attack spearheaded by Mickey Kim (23 wickets at an average of 13), Ed Stovell (20 wickets at 10), Jamie Rix (22 wickets at 10) and Robert Airey (21 wickets at 16).

The team won the last five games on the trot and secured promotion with one match remaining. The final game against formidable opponents (Trinity Mid Whitgiftians) was a formality statistically but was a well fought encounter with the young guns Ishaan Shetty and Pranav Madan showing glimpses of Cheam's bright future as the team cruised to an 8 wicket victory.

The captain would like to thank all the team members, club management, administrators and finally the opponents who played cricket the way it should be played, and that is "like gentlemen".

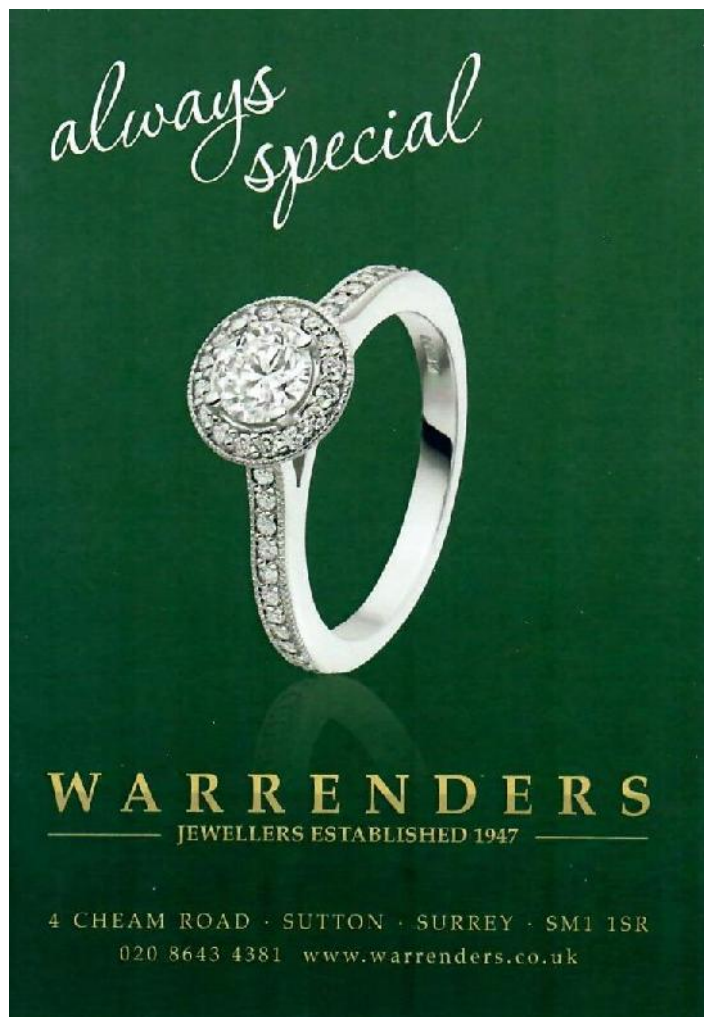

President

## Fundraising with the, 'Cheam CC 59 Club!'

A, '200 Club', was introduced many years ago with the objective of raising funds for the club in order for it to carry out projects and improve facilities; and it has been one of the biggest fund-raisers for the Cricket Club. We now intend to take it onto bigger and better things; but we **need YOUR help!**

We are re-launching the, '200 Club', basing it on the National Lottery bonus ball and naming it the, '**Cheam CC 59 Club**'. The Club's aim remains the same: to raise funds for the long-term development of Club's playing sections and for the Club to carry out projects and improve facilities.

We need as many Club members, family members and friends as possible to enter and buy a number, (or two!) Not only are there cash prizes if the number chosen is the bonus ball in the Saturday National Lottery; there is also a chance to win cricket related prizes in Club draws EXCLUSIVELY for 59 Club annual members.

**As the saying goes: "You have to be in it, to win it!"**

**To enter please visit our website: [www.cheamcricketclub.com](http://www.cheamcricketclub.com)**

**ONLY £4 A MONTH!**
