

KOOOL KIDZ EBOOK

You're amazing!!!

**You're going to get these tricky numbers,
just don't give up, I know you can do it.**

**From
Laugh Along and Learn**

xxx

The 0's and 1's multiplication facts are really easy!

0's

0 x any number = zero because zero is nothing :)

$$\begin{array}{r} 1 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 2 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 3 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 4 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 5 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 6 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 7 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 8 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 9 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 10 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 11 \\ \times 0 \\ \hline 0 \end{array} \quad \begin{array}{r} 12 \\ \times 0 \\ \hline 0 \end{array}$$

1's

Any number multiplied by one is itself.

The multiplication fact

$$1 \times 4$$

means 1 added four times!

$$\begin{array}{r} 1 \bullet \\ 1 \bullet \\ 1 \bullet \\ + 1 \bullet \\ \hline 4 \end{array}$$

$$\begin{array}{r} 1 \\ \times 1 \\ \hline 1 \end{array} \quad \begin{array}{r} 2 \\ \times 1 \\ \hline 2 \end{array} \quad \begin{array}{r} 3 \\ \times 1 \\ \hline 3 \end{array} \quad \begin{array}{r} 4 \\ \times 1 \\ \hline 4 \end{array} \quad \begin{array}{r} 5 \\ \times 1 \\ \hline 5 \end{array} \quad \begin{array}{r} 6 \\ \times 1 \\ \hline 6 \end{array} \quad \begin{array}{r} 7 \\ \times 1 \\ \hline 7 \end{array} \quad \begin{array}{r} 8 \\ \times 1 \\ \hline 8 \end{array} \quad \begin{array}{r} 9 \\ \times 1 \\ \hline 9 \end{array} \quad \begin{array}{r} 10 \\ \times 1 \\ \hline 10 \end{array} \quad \begin{array}{r} 11 \\ \times 1 \\ \hline 11 \end{array} \quad \begin{array}{r} 12 \\ \times 1 \\ \hline 12 \end{array}$$

The multiplication facts are really just a
shortcut way of adding

The multiplication fact

$$4 \times 3$$

really means $3 + 3 + 3 + 3$

(add 3 four Times)

$$\begin{array}{r} 3 \\ 3 \\ 3 \\ + 3 \\ \hline 12 \end{array}$$

If
you add
 $3 + 3 + 3 + 3$
you get
12

So, the multiplication fact 4×3 equals 12

REMEMBER

MULTIPLICATION IS JUST A QUICK WAY OF ADDING
