# Child Behaviour

## 1-Day Training

If you are looking for expert training for your staff who work directly with children and families of 0-19 years, this training is for you. It gives vital information regarding children's behaviour that everyone who works with them needs to know in order to help children to flourish.

This 1-Day Child Behaviour training gives you an in-depth look at the root of Children's Behaviour so that you can improve behaviour, attainment and unlock their full potential.

This training is evidence, research and practise-based information of what is proven to be the most effective way to help children thrive. It is Day 1 of the Child Behaviour Coach training, which means that staff can progress onto part two and three should they wish to become Child Behaviour Coaches. It is based on the Parent's Guide to Children's Behaviour programme which is a quality assured positive parenting programme that is proven to make a difference to family's lives.

### Aims:

***To discover the root cause of children's negative behaviours to enable positive behaviour changes in children.***

### Objectives:
