

Jordanhill Community Council

Chairperson: R. McKay (robertmckay9@btinternet.com)

Secretary: J. M. Winfield (john.winfield20@ntlworld.com)

Record of meeting

Meeting type: Full JCC meeting.

Record status: confirmed

Date: Monday 05 November 2018

Time: 19.00

Location: Jordanhill School, Refectory Building

Address: 45 Chamberlain Rd G13 1SP

Present: JCC elected members: R McKay (Chairperson), K. Still (Vice-Chairperson),

J. M. Winfield (Secretary), C. Benton (Treasurer),

Ward 12 Councillors, A. Aibinu, M. McTernan.

Two Residents.

Apologies. C. Kaur. PC A. Muscat (see below)

01. Welcome. R. McKay welcomed all present

02. Police Scotland Report.

Sadly, PC Muscat would now longer be attending Jordanhill Community Council meetings, since he had moved Office. All present acknowledged that he had been an excellent community officer. The Secretary had written to him expressing our thanks and had been in contact with his former supervisor, Sgt J. King, who would be appointing a replacement. No Police Scotland representative would be able to attend, in view of the likely activities of Bonfire Night.

03. The draft minute of the JCC meeting held on 4th June 2018.

A motion to confirm the draft minute was unanimously carried.

04. Notes from (incomplete) Meeting held 3rd September 2018. Notes from

Both documents were noted. The Public Meeting record had been transcribed from an audio record by K. Still.

Public Meeting for Jordanhill Residents, March 2018.

**05. Draft Note of meeting with Glasgow Life 1st October 2018
5.1 Accuracy.**

The record of the meeting was noted. A copy had been sent to Glasgow Life; no comments had been received; it was assumed that the GL staff present were content with the record. The record would be posted on the notice board in Victoria Park. The following points were made in the ensuing discussion. The Traffic Restriction Order was going ahead, despite Community Council objections. GL were committed to remaining in Scotstoun Stadium. An ambition was to grow the enterprise to 15000 capacity in line with other clubs in Pro14. Numbers of spectators using Scot Rail/First bus services were not known at present. The draft note had received a favourable reaction from the Chairperson of Whiteinch CC. It was hoped to continue s shared initiative between WCC and JCC.

06. Chairperson's Report.

Two administrative details were given. In order to enhance their status, reports from Ward 12 elected representatives would appear earlier in the agendas. Future records of meetings would include 'action information'.

07. Treasurer's Report.

Settlement for cost of room hire would be made timeously.

08. Victoria Park Ward 12 Councillors' Reports

Council Committees now have web casts. Views of the impact of Brexit on Glasgow City growth were being collected from different parts of GCC. Information about winter road clearances is available on GCC website. Equipment for domestic snow clearing is available. Able-bodied residents were encouraged both to clear their own frontage and neighbours' who were less able to undertake this. Equipment is available. Siting of the new public rubbish bins could cause problems if not well sited. Residents were asked to identify such problems. It was noted that the street bins capacity had been increased with the new bins; their number was decreased. Relocation was possible. Complaints had been received about

	<p>construction work resulting in access problems in the Woodend Dr area. A request was made from JCC for updated data on Recycling instructions for domestic users</p>	<p>ACTI ON MMc T</p>
<p>09. Regulatory. 18/0203/FUL: 147 Essex Drive, G14 9PD. Erection of two story extension to side of dwelling house and formation of vehicular access.</p>	<p>The application had been withdrawn before consideration.</p>	
<p>10. Recent meetings and correspondence with Cala Homes' representatives.</p>	<p>The Chairperson gave a verbal report of recent meetings with Cala staff. Drawings of the site which had been requested were now with JCC. The traffic island at Southbrae Gdns may be reduced in size to facilitate passage of construction vehicles. This will be one of two access points for site deliveries. Tree-felling had been completed. Cala quoted that there were originally 150 trees to be removed; 80 was the actual number removed. Over 400 trees are to be replanted in the site. The boundary fence around the site had been fitted with black boards; in time decorations (Cala logos) would be added. Notice boards had been placed adjacent to the Southbrae gate. One of these would be used to accommodate JCC meeting notices, minutes etc. However the board was under Cala's overall control. An email channel of communication with Residents had been established and appeared to work well. The next site operation would be Piling. Overall, it was considered that liaison to date had been satisfactory.</p>	<p>ACTION JMW to send draft minute etc. for posting</p>
<p>11. Consultation on draft open space policy.</p>	<p>The deadline for this consultation would enable a draft paper identifying two possible sites to be circulated for discussion and comment at the December JCC. The proposals from GCC are available for consultation.</p>	<p>ACTION JMW to prepare paper</p>
<p>12. Possible siting of a defibrillator for public use.</p>	<p>An invitation to JCC had been received from Order of St. John to suggest suitable locations for siting of defibrillators for public use. Various possible sites within the JCC boundary were suggested as The Three Craws, Crow Rd, Victoria Park (near to public Toilets). A defibrillator was available at Woodend Tennis and Bowling Club.</p>	<p>ACTION JMW to contact Order of St. John</p>

| 14. AOCB. Correspondence with the Fossil Grove Trust | Remedial work to measure relative humidity in the Fossil Building and to investigate possible contamination by magnesium ion had been initiated. Members were concerned about possible degradation of an important scientific site. The Secretary would write to the Trust to request an update. Cllr McTernan, a Trustee informed members of plans for an educational centre. | ACTION
JMW |
| 15. AOCB. Get Glasgow Moving | Members were given an update about the 'Get Glasgow Moving' initiative. Some of the issues involved had been explored at a recent meeting with parliamentarians at Holyrood. It was recognised that, although renationalisation of local bus services such as First Bus Glasgow might be prohibitively expensive, some degree of regulation was very important. JCC resolved to maintain an interest in developments and thanked Mrs. McKay for informing the meeting. | |

Dates for meetings in 2018/19: School Refectory Building, 19.00-21.00. 03 December 07 January, 04 February, 04 March, 15 April (Easter Sunday is 21st), 13 May, 03 June.

Minute to be confirmed at the next meeting (3rd December) of Jordanhill Community Council.
