

Forthcoming Event in Victoria Park, North-east corner (Rugby pitch)

The Event, FriendsFest, will be staged on the Victoria Park, Rugby Pitch area, for the period 01 to 18 July 2018. Although the organisers, Luma Cinema, have assured local representatives' of their good intentions, residents living nearby, for example in VPDN, are likely to experience some nuisance, noise and generator operation, for example. There is likely to be additional pressure on parking. The hours of operation are apparently 11 am to 9pm on weekdays and 11am to 10 pm at weekends.

The event is sponsored by Glasgow Life Events Team and GCC Land and Environmental Services. There will be a Police Scotland presence and evidently there will be a mobile phone contact on site; this is not yet available. If required, the email contact is LESCommunications@glasgow.gov.uk marked F.A.O of Stevie Scott, Divisional Manager – Parks and Streetscene.
