1. Aims

Our academy aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence
- Maintain and develop effective communication regarding attendance between home and school
- Achieving at least the national average of 95 % attendance at the end of the academic year .

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

At the heart of everything we do within our academy is a child's learning, but learning is compromised if they are absent or late. We therefore aim to ensure that our children take full advantage of the educational opportunities available to them and raise standards by promoting regular attendance and punctuality of children. We have therefore adopted the following policy and procedures.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of each school day and straight after lunch.

It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent

- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 9am on each school day.

The register for the first session will be taken at 9am. The register for the second session will be taken at 1 pm .

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.30 am or as soon as practically possible (see also section 6). The school can be notified by phone or email.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt or attendance because of illness drops to below 90 %, the school may ask parents to provide medical evidence, such as a doctor’s note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

School must be notified by informing the office prior to the appointment time.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

Morning registration will take place at the start of the school day – 9 am. Afternoon registration will take place by 1.00pm. Any child arriving after the closure of registration will be recorded as late. Where children are regularly late i.e. after 9am or 1.10pm, the school will write to the parents informing them of the schools concerns and offering support to help rectify the situation. If lateness is consistent and parents have not responded to support from the school then a referral will be made to the Education Welfare Service based at Rutland County Council. Lateness is classed as an unauthorised absence.

3.5 Following up absence

The academy will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use. Initially a phone call will take place if the school has not been notified by 9.30 am. There are 3 points of contact on each individual's record so that rigorous safeguarding is in place to ascertain why a child is not at school. If we are unable to contact a parent / carer by midday then a visit will be undertaken to the child's home. Please refer to the home visit policy.

3.6 Reporting to parents

Attendance for an individual pupil will be reported to parents as part of their progress reports during the academic year.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

The academy considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the head teacher's discretion. Before deciding whether to authorise leave of absence head teachers will consider the impact for the student's academic progress of any absence, the pupils attendance over the academic year and whether it falls within any key stage national tests or exams.

Valid reasons for **authorised absence** include:

- **Illness and medical/dental appointments** – as explained in sections 3.2 and 3.3
- **Religious observance** – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- **Traveller pupils** travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision
- **Family Bereavements** – The school recognises that the death of a family member can be a particularly traumatic event in any young person's life, and in most circumstances will authorise absence to attend funerals or associated events and any request would be dealt with sympathetically.
- **Family Holidays** – Family holidays cannot be authorised by the school. The school will not grant any leave of absence during term time unless there are exceptional circumstances and will determine the number of school days a child can be away from school if the leave is granted.

A leave of absence is granted entirely at the head teacher's discretion and is **not a parental right**. The head teacher must be satisfied that there are exceptional circumstances which warrant the leave, and all requests must be made in writing to the Head Teacher.

English Martyrs CVA may agree a 'leave of absence' in exceptional circumstances such as:

- for service personnel and other employees who are prevented from taking holidays outside term-time if the holiday will have minimal disruption to the pupil's education; and
- When a family needs to spend time together to support each other during or after a crisis.
- English Martyrs CVA will not agree a 'leave of absence in circumstances such as:

- Availability of cheap holidays;
- Availability of desired accommodation;
- Poor weather experienced in school holiday periods; and
- Overlap with the beginning or end of term of a sibling

Unauthorised leave of absence in term time will be discussed with the Education Welfare Officer and Penalty Notice Letters issued where applicable.

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

We promote good attendance across the school regularly communicating to parents our whole school percentage. During the year we comment on individual attendance through the progress reports sent out to parents 3 times during the academic year.

We will contact parents when we have concerns about a child's attendance and offer support as a school meeting regularly with parents to improve the situation as soon as possible.

6. Attendance monitoring

The Academy monitors the attendance of all children on a termly basis. Where the school have identified that a child's attendance has fallen below the level of 90 % in any term and have had 4+ broken weeks, a standard letter will be issued to the family. This will make them aware of our concerns and the importance of consistent and regular attendance at school. If there is no subsequent improvement in a child's attendance a request will be made for a meeting with the parents and, where necessary, the Education Welfare Officer. The purpose of this meeting will be to discuss expectations and try to ensure that their child's attendance improves. Support and advice will be offered where necessary. If a child's attendance continues to cause concern a letter of referral will be sent to the Education Welfare Service. The Academy will endeavour to work with and support all children and families wherever possible.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

Parents are expected to contact the school either by phone or email each day their child is unwell.

If a pupil's absence goes above 5 days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continue to rise, we will consider involving an education welfare officer.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

School tracks attendance from Scholar Pack and this data is stored internally, it is analysed termly and reported on to governors. The data is used to track individual pupils and to identify if there are any particular groups of children whose absences may be a cause for concern. Any intervention with families is monitored and evaluated.

7. Roles and responsibilities

7.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

7.2 The headteacher

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher also supports other staff in monitoring the attendance of individual pupils and notifies the local authority attendance officer where necessary.

7.3 The attendance officer

The attendance officer:

- Monitors attendance data at the school and individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

7.4 Class Teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

7.5 Office staff

Office staff are expected to take calls from parents about absence and record it on the school system.

8. Monitoring arrangements

This policy will be reviewed every 3 years by the Head teacher. At every review, the policy will be shared with the governing board.

9. Links with other policies

This policy is linked to our child protection and safeguarding policy
