

Year 1 Project Map

Lent 1 2021

Leading Question

Where in the world?

Synopsis

During Lent 1 year 1 will be learning about Australia and beginning to compare this to where we live. We will be exploring the human and physical features of Australia as well as the different animals that live there. We will also be linking our topic and art together through some work on printing.

Milestone 1

Where I live

Where do I live?

What town do I live in?

What county/ country do I live in?

Where is my location on a map?

As Writers we will...

Learn about characterisation through description using a range of traditional tales and a traditional story from Russia.

As Athletes we will...

Develop our gymnastic skills in jumping and rolling. Build our fitness through circuit training.

Milestone 2

The continents

What are the names of the different continents?

Where are the 7 continents located?

What might I see in different continents?

As Mathematicians we will...

Learning about place value to 20 and addition and subtraction within 20.

As Creators we will...

Be exploring print making using a variety of materials and technics.

Milestone 3

Australia

Where is Australia located?

What physical and human features can be found in Australia?

What animals live in Australia?
How does Australia compare to where I live?

As Scientists we will...

Learn about seasonal change, the months of the year and daylight hours. We will study the weather and record our observations.

In RE...

Learn about special people at home, in school and at church. We will also begin to look at special meals linked to Mass.

Outcomes

Children will understand where they live in the world and how this compares to another place.

Audiences

Parents and other children

Significant Days

Epiphany - 6th January 2021

Sparkling Start

Suitcase exploration

Fabulous Finishes

A gallery of art work linked to printing.
