	<u>Writing progress 1.9</u>
<u>Maths average scaled score 105</u>	<u>Maths progress 2.3</u> <u>Average scaled score in maths 109</u>

Primary schools do not need to publish their data this academic year.

The government will not publish KS2 school level data for the 2021 to 2022 academic year. They have archived data from the 2018 to 2019 academic year because they recognise that the data from that year may no longer reflect current practice.
