Prayer of the week

God of love,

We pray for peace in our world, and an end to war.

Instead of hatred, let there be love.

Shelter your children and protect us.

Guide us and keep us from harm, so we can build a world of love and live our lives in peace.

Amen

Maths Challenge

Well done to the Team Maths Challenge team of Sofia, Charlie, Jaden and David who competed against St David's School, Northampton in the first round of the competition on Tuesday. The questions were particularly challenging, however the team emerged with a score of 240/256 meaning that they only actually answered two questions incorrectly. St David's scored 200 giving us a comfortable win. Next week the children will tackle the second round which is against The King's School, Ely. Fingers crossed for a good result!
