Transition Days

We welcomed our new children into school this week who are due to start in EYFS in September as well as some children who are starting in other year groups. Our children also moved up to their next class for their transition days. They all settled in well and enjoyed spending time with their new teachers and teaching assistants!

Maths Challenge

Well done to Florence, Josiah and Tycho who took part in the Mathematical Olympiad in June – it was a very hard challenge and they did very well. Florence was in the top ten participants in the country with a score of 125/135 giving her a distinction, Josiah scored 75 giving him a bronze award whilst Tycho receives a certificate of participation. All of the children should be really pleased with their outcomes.

EYFS & Y1 Sculpture Project

The children in EYFS and Y1 have been busy working together to build this fantastic sculpture inspired by the sculptor Dale Chihuly. They loved the way he uses colourful glass to make beautiful large scale sculptures and installations. Make sure you take a closer look on the school fence.

Y6 First Aid Session

A big thank you to Steve who came to give a First Aid session to our Y6 children. They learned some valuable skills to equip them in case of a medical emergency.

Prayer of the week

Glory Be to the Father,
and to the Son,
and to the Holy Spirit.
As it was in the beginning,
is now, and ever shall be,
world without end.
