

CLL - communication, language and literacy

We will be.....

Reading, retelling, acting out stories:
Jack and the Beanstalk, Jaspers Beanstalk, The Tiny Seed, The Very Hungry Caterpillar, The Very Busy Spider. Explore author Eric Carl

Talk about minibeasts - similarities and differences

Non-Fiction - how information can be found in non-fiction books

Writing labels and captions of plants and flowers.

Writing instructions on how to plant a seed.

Create a minibeast leaflet

PD - physical development

We will be...

Swimming every Tuesday morning.

Playing ball games/team games on the new astro turf.

Using different tools to create paintings and drawings of plant life.

PSED - personal, social and emotional development

We will...

-Continue to share and think of others during play.

-Think about how to care about living things and our environment.

- practise playing in our role play with other children, understanding that we play in ways which respect each other and listen to each other's ideas.

How does your garden grow?

M - maths

We will be.....

- Counting up to 20 and putting those numbers in order
- Adding and subtracting 2 single digit numbers
- Thinking about doubling, halving and sharing.
- Exploring and using the language involved with time and money.

UW- understanding the world

We will be...

- Using the internet to research plants and animals.

-Learning about the parts of a plant and what a plant needs to grow.

Growing our own vegetables.

Investigating seeds, beans and flowers.

Looking at the life cycle of a caterpillar.

Going on a bug hunt.

EAD - expressive arts and design

We will be.....

-Exploring different colours and mixing.

-Describing different textures.

-Looking at Van Gogh's Sunflowers and Matisse - The Snail.

- Painting our own still life and making observational pictures of plants and animals outside.
