

All pet rabbits need:

Realistic expectations

Rabbits are timid, ground loving animals & most do not enjoy being picked up.

A natural diet

A rabbit's diet should consist of mainly hay or grass.

Bonding

As social animals rabbits need the company of another neutered rabbit/s.

Boredom breakers

Rabbits are intelligent animals who need mental & physical stimulation.

Investing in

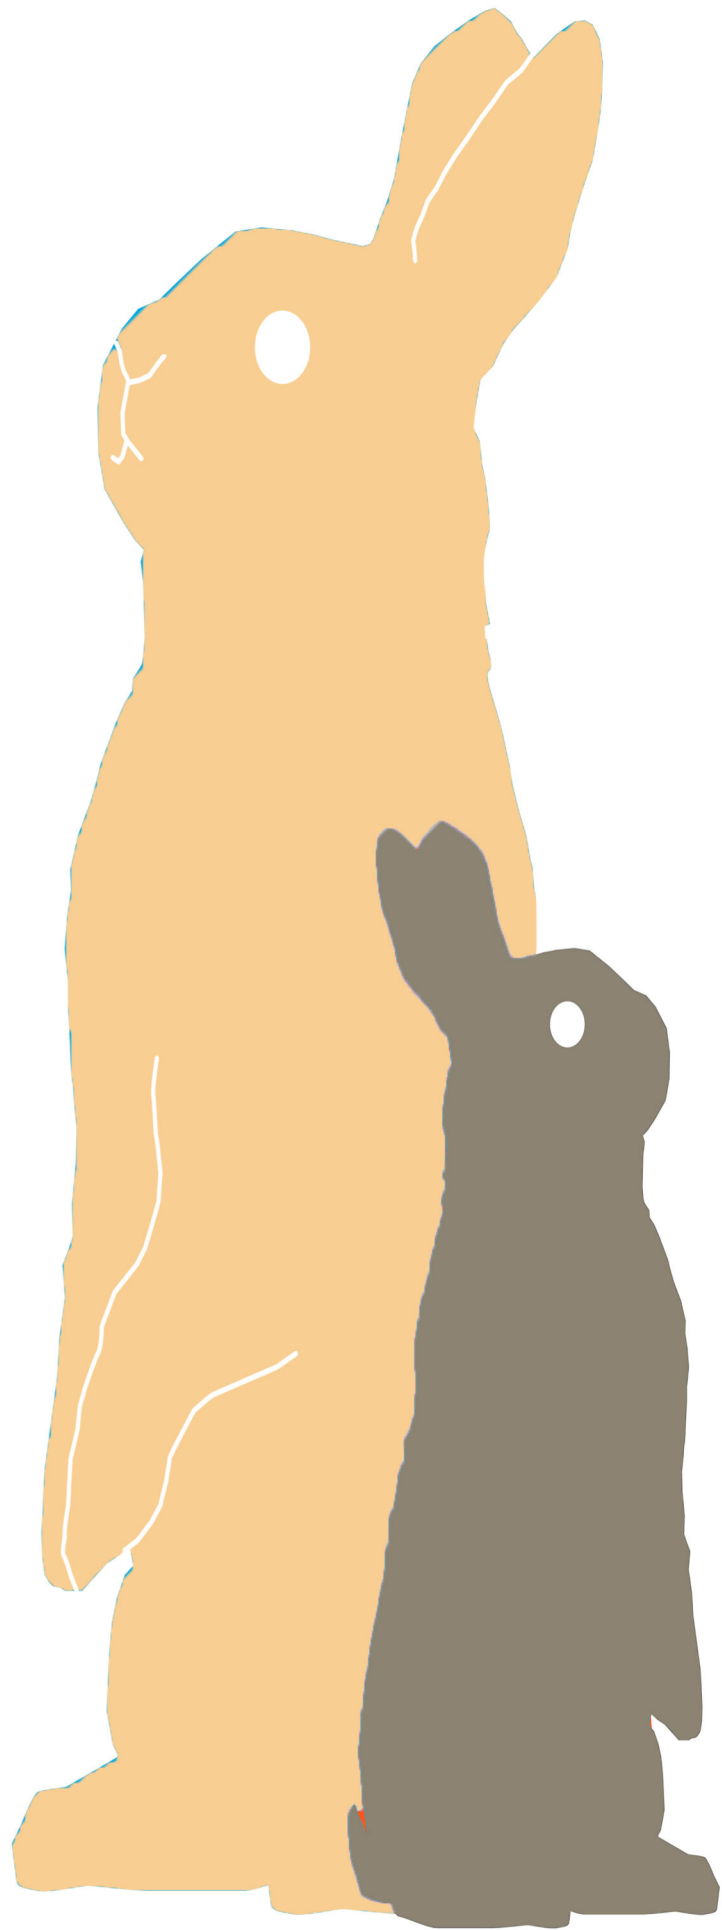

Rabbits are expensive & time consuming to care for properly.

Treatment

Pet rabbits need neutering, annual vaccinations & vet care when ill.

Space

It is cruel to confine rabbits to a hutch. They need access to lots of space!
