Our Tutors

Victoria Bond

Vicky qualified in 2015, gaining both her in-house diploma from OSM and also a Level 3 ITEC qualification in Holistic Massage. A strong advocate of the schools philosophy and values she developed an interest in teaching after qualifying and joined OSM as a Teaching Assistant before going on to lead her own classes. Vicky also regularly volunteers as a Massage Therapist at a local cancer support centre, here she provides treatments to help try and improve the physiological and emotional well-being of the guests who attend. In addition to each of the mentioned roles she also works with disabled children and young people with complex health needs and Autistic Spectrum conditions.

Mark Higgins

Mark qualified with the Oxford School of Massage in 1988, before going on to the West London School of Therapeutic Massage to take further courses in Aromatherapy and Sports Massage. He started teaching at OSM in 1990, and took over as the principal of the school in 2008. As well as his role as principal of the school he owns and runs the Oxford franchise of Neal's Yard Remedies.

Sarah Toplis

Sarah qualified with the Oxford School of Massage in 2009 with a distinction. She has since set up her own practice in Abingdon which is proving to be very successful with both private clients and the corporate sector. She discovered a love for Anatomy and Physiology whilst undertaking her own diploma and has joined Oxford School of Massage to share her passion for the topic. Sarah has also completed courses in Advanced Facilitation & Training Skills, Counselling and Presentation Skills.

Replacement Certificates

If for any reason a student loses their Holistic & Therapeutic Massage Diploma certificate they will be able to get a replacement at a cost of £25.00.

Additional Student Costs

Course fees cover core text books, all teaching materials, sheets and towels, student insurance and massage oil in class.

Students will also be required to purchase other books on the reading list and massage oil for use outside of the classroom. Students will also need access to a massage table which can be hired from the school at a cost of £5.00 per week. Students may wish to purchase their own tables and details of specifications will be given in the first class.

As part of the course students are also required to receive four massage treatments from graduates of the Oxford School of Massage and must pay for these treatments themselves.

Cancellation Policy

If for any reason a student is unable to continue with the course, we encourage them to take a break and rejoin the next course at the appropriate time. To secure a place on the next course students are required to pay the remainder of the fees. This will guard against them having to pay any increase in fees.
