Children aged 10 to 11 years

AIRPORT

By

Spike Milligan

Please don't miss Heathrow Airport,
It's only a ten-mile run.
Go there for lunch on a Sunday,
Get in the queue for fun,
Sit in the air-conditioned Restaurant
That keeps all the smells inside.
If you look through the plate-glass windows,
You can see where the flies have died.
Show the kiddies planes taking off
For Paris, Bombay and Rome.
It's only an hour to Paris,
It'll take you four to get home.
