

EARLY YEARS SERVICE (EYFS)

This offer is for all Schools, Private, Voluntary and Independent Settings. The Early Years Team has a focus on developing 'school readiness.' We support quality improvement, diminishing the difference between disadvantaged children and their peers. We aim to ensure that all settings and schools are judged 'good' or better by Ofsted. We offer the Step into Training CPD programme and are delighted to introduce the **new** packages below:

Key benefits:

- High quality advisory input from an experienced team
- High quality training

Standard Package –

- Access to the web-based Oxfordshire EY toolkit
- Email and telephone support from a named advisor
- Three Early Years briefings a year and regular updating emails.

Enhanced Package -
