Dear sponsors,

How are you? I hope you are fine doing well with your Families and jobs. Even me I am fine with my Studies and my family. The reason that I wrote this letter to tell you about these good things you have made for us. We thank for these.

We are happy because each and every we went for a trip. This year we went to VASCO DA GAMA Pillar. We enjoyed because you people had payed for us. We hope next year we will had another trip. We want next year to go Nairobi to enjoy our selves.

We are still happy because you provide us with play ground. We enjoy playing on the field during break time, lunch-time and game time. We've got enough time to play on the field. The field is very very good. We have good Materials like balls, gloves and many others.

You had provided with infrastructure. We are happy as a king. We have enough building such as Kitchen, office, Starfroom and among other. Because of infrastructures I had saw fellow student working hard. We still remember about our promise you gave us about the scholarship for those who will get 400 mark and above.

100 We are happy as a king. In each infrastructure there are lockers, chair and tables.

We have feeding program which had started from past up to now. There is no other school which had feeding programs except Timboni.
