

TIMBONI PRIMARY SCHOOL,
P.O BOX 275,
KAMBE, KENYA.

1st July, 2019.

Dear friends,

How are you? How are your friends and families? I hope that you are fine. I am grateful to the almighty God that Timboni is also doing well.

The aim of writing letter to you is to thank you for the great that you have offered to us. You have funded us in many different areas.

1st: Classrooms that you have constructed has made learning smooth in our school all pupils they learned and passed the examinations.

2nd: Toilets that you have constructed, they prevent ourselves from water borne diseases and all pupils in our community they learned here because both teachers and pupils they have discipline.

3rd: Nets that you have brought to Timboni, we sleep under them to prevent ourselves from malaria.

4th: Play ground that you have made in our

School, when time of sports they became we use the play ground to practise and we get best team.

5th: Sports Clothing, balls and pumps that you have brought us, we used them to exercise our bodies.

6th: Feeding programme that you states in our School is really helps us. Some pupils their homes are far they did not go home to take lunch and came back to school all the days.

7th: The teachers that you paid they increased the teacher in our school - we learn all lessons because the teachers are enough.

8th: The trip that we went to malindi, gave us exposure to many things to eastern Africa. e.g. John Speke, Henry Morton and Vasco da Gama. Before we arrived to Malindi we saw Arabuko Sokoje and mangrove forests. These trees are green all the period. When arrived, we went to Vasco da Gama and we find young boy and he tell us Vasco da Gama builded a pillar and named it a Vasco da Gama pillar.

9th: The lockers that you have brought us we use them to learn comfortable without problems. Take our greetings to all our friends, thank you and good bye. May God bless you. Looking forward to seeing next year yours sincerely HAZARD KYOLI. Together we succeed:
