

TIMBONI PRIMARY SCHOOL,
P.O. BOX 275,
MALOLENI, KEMENYA.

Dear friends, 1st July, 2019.
First and foremost, accept our heartfelt greetings from the Timboni primary school fraternity. I am happy to inform you that everything is extremely well here in Timboni.

I hereby write this letter to you on behalf of all the pupils, teachers and Timboni community to pass our sincere gratitude for your effort, prayers and help you are giving us.

We thank you for the Educational Tours you have been funding surely we have learnt a lot. The chairs and lockers that you have provided to our school. ~~It~~ It has made learning a smooth running process because they makes us sit comfortable on the chairs and write comfortable on the lockers.

The tours have made us learn many things. The previous tour has made me know that there are some snakes called Python and Cobras. The snake that made me excited was the cobra. It made me excited because of its grey coloured body. I even took a photograph showing the cobra that will make me to remember about the tour to Malindi.

We also thank you because you have built the boys' and the girls' latrines. They protect us to be affected by some diseases. We are happy because you love us as Timboni Community. This is why you also brought nets for us that also protected us from being bitten by mosquitoes that spread malaria.

These are not the only things you have done to us. Still you have made us glad. You have sponsored us with the school feeding programme. This really helps us to save time and to go on with our school programmes well. This is because some of the pupils' homes are far from the school.

You have constructed the play ground which was very rough but because you love us you constructed it well. You also brought us some sports clothings which helps the players to know his or her partners well. Still you constructed the new classrooms which has made learning a very smooth process. This is because we are comfortable in them.

Take our greetings to all our friends. We are looking forward to see you next year. Together we succeed. May God bless you and add more things to us. Thank you and good bye.

Affectionately yours,

Melvin Mwadena Ria
