

# SPORTS PREMIUM IMPACT REPORT

2017/18

At Grovelands, we welcomed the government funding for Primary PE for the coming academic year. We were allowed to spend the money how we chose to but it was ring fenced and therefore needed to be spent on the provision of PE. We received £20,600 for this academic year.

We completed an audit which included analysing questionnaires sent to children and staff and had meetings to discuss how the premium would most benefit our children. The below tables shows how the money was spent and details the impact of the spend.

Action:	Impact:	Allocation:
<p>Our main aim in spending the sports premium funding was to ensure that there is high quality PE provision being taught throughout the school. The money was used to pay for a Primary PE Specialist, releasing them to support every teacher in the school to make sure high quality physical literacy was being taught across the year groups. The plan was for teachers to be observed, team teach with the specialist and to be supported on a 1:1 basis for the needs of each individual. We felt that this would improve the confidence and competency of all staff and ensure that high quality PE is being taught at Grovelands.</p>	<p>Primary PE specialist was ensured that PE was taught to a high standard throughout the school through modelling, shared teaching and observations. Teacher's confidence and competence in delivering PE lessons has improved and they are more aware of the steps which can be used to differentiate for children's needs in the planning and delivery of lessons. PE specialist has also introduced a number of new extra-curricular clubs which children have enjoyed attending. Through pupil voice, it was established which clubs children would most like to be offered in addition to those running already.</p>	<p>£12000</p>
<p>Money was allocated to supply so that teachers could attend sporting fixtures/ competitions. This has included:</p> <ul style="list-style-type: none"> <li>● Indoor Athletics</li> <li>● Tag Rugby</li> <li>● Cross Country</li> <li>● Football</li> <li>● Girls Football</li> <li>● Netball</li> <li>● Hockey</li> <li>● Dodgeball</li> <li>● District Sports</li> </ul> <p>All pupils have regularly taken part in Intra School Sports Competitions.</p>	<p>Pupils have taken part in a wider range of sporting fixtures throughout the year, and have been well supported by staff during these fixtures.</p> <p>A wider range of pupils have been able to represent the school.</p>	<p>£1000</p>

# SPORTS PREMIUM IMPACT REPORT

2017/18

<p>Money was allocated to enter all ERPSSA competitions and to provide children with appropriate kit and rewards. Models were bought and engraved as part of the running club offer.</p>	<p>Children have enjoyed competing and taking part in a range of clubs some of which lead to competitions within the district, others which focus on achieving their Personal Best.</p>	<p>£500</p>
<p>PE teacher and other staff have attended courses to enhance their knowledge and have continued to improve the provision of outstanding PE at Grovelands.</p>	<p>PE lead has attended PE courses and PE network meetings to develop knowledge and understanding of how to further improve the provision of PE at Grovelands.</p>	<p>£1500</p>
<p>Transportation to fixtures and district sports</p>	<p>Recent access to minibus has meant that children have been able to attend a wider range of sports fixtures. KS2 children have also had the opportunity to attend a trampolining taster session at Cleves.</p>	<p>£1500</p>
<p>Equipment purchased to allow outstanding, high quality physical literacy to take place in all areas of PE.</p> <p>As this is our first year of being a complete through Primary (first year 6), we have spent some money on school kits to attend competitions. This is important so the children are proud to represent their school with their school logo on.</p>	<p>The addition of new resources has ensured that teachers are able to teach high quality PE lessons in all areas of PE. The purchasing of kits has ensured that the children take pride in their school when competing in various sporting events.</p>	<p>£3200</p>
<p>To further embed healthy competition as well as belonging, we have continued with the house system throughout the school. This has included:</p> <ul style="list-style-type: none"> <li>● Intra sport competitions to take place in houses termly.</li> <li>● Opportunity for pupil voice/responsibility - 10 children attending sports crew training morning at Cleves</li> <li>● General belonging and competition through their school life.</li> </ul>	<p>Introducing Intra sport competitions has raised the profile of PE within the school and ensured that all children are able to take part in competitive sports.</p> <p>Attending Sports Crew training has developed the confidence of children running the Sports Crew lunch time club which targets inactive children in KS1 &amp; 2.</p>	<p>£200</p>
<p>Total spent:</p>		<p>£19,900</p>
<p>Left to spend:</p>		<p>£160</p>
