

3rd October 2018

Dear Parent/Carer

### Land and Wave - Year 6 Residential Trip

As you are aware, we believe that children benefit considerably from residential trips. They learn as much about themselves, as they do about the exciting activities and are given the opportunity to gain experiences and face a range of challenges that can contribute significantly to their personal development.

To this end, we are very excited to be offering the Year 6 children a residential visit to Land and Wave in Swanage, Dorset, for a five day, four night stay from Monday 17<sup>th</sup> June to Friday 21<sup>st</sup> June 2019. Land and Wave are proficient providers of school residential trips with vast experience and offer one of the best outdoor adventure and activities in Dorset.

The cost for this trip is £325 which includes glamping in bell tent accommodation, all watersports, woodland and beach based activities, evening activities until 9.00pm, freshly prepared cooked breakfasts and evening meals and all packed lunches, together with transport to and from all activities.

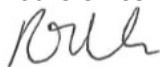

To secure a place on this residential trip the attached pro-forma must be returned and the initial deposit of £75 received by 31<sup>st</sup> October 2018. This payment will then be followed by 5 consecutive payments of £50 due on 30<sup>th</sup> November 2018, 31<sup>st</sup> January 2019, 28<sup>th</sup> February 2019, 31<sup>st</sup> March 2019 and 30<sup>th</sup> April 2019. Please make these payments using our online payment system.

Walton Charities is able to assist families currently experiencing financial difficulties, with payment towards this trip. Please consult their website, which details the process. This cannot be done by the school and as the process can take some time, we suggest immediate action. Full payment needs to be received before departure otherwise your child's place will be cancelled.

We will be holding a meeting for all Year 6 parents/carers on **Wednesday 10<sup>th</sup> October at 3.00pm and again at 6.00pm** so please come along with your child to hear all about the activities they will be offered such as paddle boarding, raft building, archery and shelter building, the beautiful surroundings at the centre and to answer any questions you may have.

We look forward to seeing you then.

Yours sincerely

**Mr D Tuck**  
Head of School
