Drawings are not to scale.

1/4" seam allowance used throughout unless otherwise stated.

The finished quilt top measures 33" x 44"

Cutting Instructions

From each of your 3 Long Quarters (a) (b) (c)	Cut (3) - 3" x full width of fabric strips (cut off the selvages)
From the Half Metre (d)	Cut (6) - 3" x full width of fabric strips (cut off the selvages)
Binding	Cut (4) - 2 1/2" x full width of fabric strips. (cut off the selvages)

Piecing Instructions

1. Take one D, A, B and C strip and place as follows:

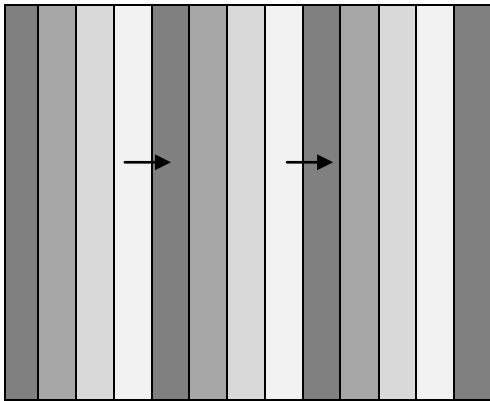

Stitch the strips together and press seams to the right as shown by the arrow.

- Repeat for a second block and again for a third block adding an additional D strip after the C strip.

- Now sew all three sections together, pressing all seams to the right as before.

This section will measure 33" across and will need to be trimmed to 38 1/2" long.

- Add the final two strips to the top and bottom of the quilt, cut away the excess and press the seams to the borders, away from the main body of the quilt.

That's it your Super Speedy Quilt Top is done!

Finishing

Make a quilt sandwich with quilt top, batting and backing. Machine or hand quilt as desired. Finally add the binding. (Need some help.....Pop back to the blog and take a peek at the Patchy Heart Section for step by step photo's for how to do this!)
