Wishing you a little happiness in every stitch, Sarah, Penny & Andy

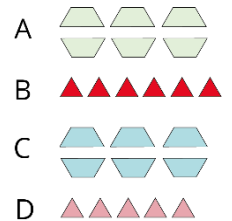

**Ursa Major**..... both constellations this month are named after bears! Ursa Major is the 'great bear' and Ursa Minor the 'smaller bear'.

Whilst the stories behind Ursa Minor are not quite as clear, it is said that Zeus fell in love with Callisto, a beautiful nymph and they had a son named Arcas. Hera, Zeus's wife, was consumed with jealousy, so she changed Callisto into a bear.
