7] **Village Hall**

There had been no fund raising events since the last council meeting.

The loss of door hooks during the vandalism reported to the last meeting had not been solved but some of the hooks had been found in a neighbouring garden. Two new seats were required for the ladies toilets and Mr Nick Berridge was to be asked by the clerk to undertake the work. The question of some heaters in the hall not working was to be raised again with Coun. Mrs James to deal with the matter.

The clerk was to organise for the grass cut before events on June 20 and July 11 to be collected up by the contractor rather than leaving on the surface.

8] Environment

Arrangements for the litter pick on June 6 were confirmed, with the start being at 1000am at the village hall. Coun. Mrs James was to organise coffee and cakes. It was agreed also to carry out some weeding around the village hall and elsewhere.

There had been a number of crimes in the village. Concerns were expressed because police reports were not being regularly received.

9] Church Clock

The council confirmed it would take up the Heritage Lottery funding to meet the cost of the scheme to repair and improve the clock in the parish church and to provide an interpretation board. The clerk was to check on the need or otherwise for a faculty to allow the work to be carried out.

10] Website

The number of hits on the website was being maintained at around the 500 mark. The council were told by Coun. Roberts of a need for the site to be corrected in number of places and Coun. Avery would take the matter up with the website developers.

11] Annual Awards to Residents

It was agreed to approach Mr Neil Hartley and Mr Roger Edwards to see if they would accept the annual awards for 2008/2009, both for work they undertake outside the village. It was hoped the presentation of the awards might take place at the Strawberry Fair.
