6] CLERK'S REPORT

The WW1 centenary event organisers are asking for parishes to try to include someone in any event they organise who had a relative engaged in that war. Coun. Plant would investigate. The clerk said the mole catcher had worked in the area behind the village hall. The chairman reported that local resident Mr Bob Muston has been in touch again in regard to the drains next to the village hall. Coun. Stephens said Mr Muston had again run continuous flowing water via a hosepipe from the top of the main rain water pipe on the Northern side of Youngs Forge -- adjacent to the footpath and close to MH2 on the council consultants' plan) -- this was again seen to discharge through the chamber inside their gate on Wymeswold Road into the sewer. As a result the council agreed that the proposed work to remedy the drains problem proceed.

RUSHCLIFFE BOROUGH COUNCIL PLANNING DECISIONS

There were none

10] VILLAGE HALL, LICENCING AND PLAY AREA

The chairman reported a mistake in the application submitted to Rushcliffe Borough Council meant it had to be repeated. The application would be as the decision taken in December last year in that the normal licensed drinks arrangement should be 10am to 11.30pm and for the hall to be emptied by 12 midnight and that on four occasions the bar could operate until 12.30am and the hall be cleared by 1am. The chairman said the public notice could go in the 3W's magazine and Rushcliffe Borough Council would not be charging for the application again. The question of the vice chairman and the need or otherwise for him to declare a personal interest at this point in regard to the application was raised and after discussion Coun. Grenze declared an interest, although he pointed out he did not necessarily feel it was required. The council voted 6-1 to resubmit the original application.

Mr Peter James was to be asked to look at the condition of the grass at the back of the village hall, it being suggested it was long.

The chairman said arrangements had been made for some electrical work including PAT testing as necessary. Coun. Redfern reported she had been in contact with Mrs Pat Roberts who was happy with a suggestion a tribute to her late husband be produced for inclusion in the Three W's magazine. She also welcomed an idea of a memorial to the former chairman in connection in particular to his work for the village hall. Mrs Roberts had agreed to consider taking a place on the parish council at some point in the future.

The wine tasting event held for hall funds had produced a profit of around £230 and had been a big success. A quiz night was planned for March 25.

11] ENVIRONMENTAL MATTERS

Comment was made by Coun. Lewin in regard to the state of part of the Main Street and Keyworth Road from the point of view of the gutters being covered by mud. The clerk was to raise the matter with Notts County Council.
