

Due to the Covid –19 pandemic we were not able to hold a public meeting in spring and the same applies this autumn. However, unlike in spring, we have put together a newsletter for autumn.

Like everyone else, once we realised the situation was not going to improve as far as face to face meetings were concerned, we have held committee meetings online.

We would like to thank the residents and businesses in Lady Bay for their cooperation throughout the pandemic in making life as safe as possible and helping one another. In particular local businesses have provided excellent service to the community. Thank you to all those who continue to support all the local businesses. We were reliant upon our local shops so much, particularly at the beginning of the first lockdown, and continued support is vital. You can find many advertising in this newsletter and on the Lady Bay website.

We are pleased that our advert in the last newsletter was successful so that the Lady Bay website has now been brought up to date and is full of information about Lady Bay. Please visit:

In this newsletter are many updates from local groups and useful information, please keep as reference
